VIVE: cutting edge online term life insurance submission platform that is currently proprietary to The Brokers Network and select LIBRA Insurance Partners.

iGO: online submission platform managed by iPipeline for both Accelerated and Traditional underwriting.

Carrier: proprietary platform available only to agents with access to the issuing insurance company's website (pre-appointment required).

Minimum death benefit amount is at least \$100,000 with all companies. All programs require online submission with the exception of American General (IUL only), Fidelity & Guaranty, Guardian, Savings Bank Mutual, Security Mutual, Symetra (IUL only) and Transamerica. The above applies only to U.S. citizens with no adverse criminal, financial or medical underwriting history. Call for all other situations.
